Carroll Concrete
2010
Concrete Construction Conference

Carroll Concrete would like to **invite** you to take part in our upcoming Concrete Construction Conference to be held at Lake Morey Resort in Fairlee, VT on May 14, 2010.

Our theme for this conference is “LEAN AND GREEN”. We will be sharing ideas on how to EXCEL IN TODAY’S ECONOMY. We will also feature products and services that are environmentally friendly and focus on RESPECTING OUR ENVIRONMENT.

This will be a daylong event featuring exhibits, seminars, demonstrations, entertainment and food. We will be inviting a large but select group of contractors, builders, engineers, architects, transportation departments, public works officials and other groups that have an interest in the concrete industry.

In the months leading up to the conference, we will distribute regular updates as we add features and finalize our preparations. Some time after the first of the year we will be mailing out registration booklets to over 2,000 industry professionals.

The booths are 10’ x 6’ with an 8’ draped table and 2 chairs. Maximum height is 10’. The cost of the booth is \$400. We are offering a \$100 discount for vendors that register and send payment by November 16, 2009.

We hope that you will join us in putting on this concrete conference. This will be an excellent opportunity for you to promote your products and build your business.

If you have any questions or suggestions, please contact Jane Eldred at (603) 863-1000 ext. 45 or email her at jeldred@CarrollConcrete.com

Sincerely,

Concrete Construction Conference Committee

Brought to you by  with facilities throughout New Hampshire and Vermont.
