Franklin & Grand Isle Counties Guide to Home Builders & Remodelers

This summer, The Home Builders & Remodelers Association of Northern Vermont will sponsor another unique marketing opportunity for the Franklin and Grand Isle county areas. Our latest Home Builder & Remodeler Guide will be open for advertising to all members of the association and will offer a complete list of members in the two northwestern counties, along with any advertisers, providing a range of contact information. The full color magazine will be patterned after the successful Central Vermont guide that was printed and went into distribution earlier this spring. The purpose of the guide will be twofold; first to offer full color high resolution advertising of the homes, products and services that HBRANV members provide, and second, to show the advantages of doing business with and being a member of the HBRANV. The guide will have a regional distribution to several key locations in the Grand Isle, Franklin County and St. Albans areas starting in mid July.
